The perfect base coat for Johnstone's Exterior Hardwearing Gloss paint.

- Durable and water resistant finish
- Excellent resistance against blistering, cracking and peeling
- For optimum 6 year life use Exterior Hardwearing Undercoat and Gloss as a system
- Traditional solvent based formulation

Combine warm neutrals with bold classic colours to achieve a timeless look suited to many house styles.

CREAM
Smooth Masonry

VICTORY RED
Exterior Gloss

Neutral and pastel tones combine to form a cosy ambience creating the picture perfect cottage.

SANDSTONE
Smooth Masonry

NATURAL SAGE
Exterior Satin

Sophisticated greys offset by contrasting tones create a clean, modern look, ideal for the urban house.

BRILLIANT WHITE
Smooth Masonry

BLACK
Exterior Gloss

Fresh light neutrals complemented by pastel accents will highlight the beauty and fun of the seaside.

QUIET SHORE
Smooth Masonry

AQUA LEAF
Exterior Satin

Exterior Walls

Johnstone's Smooth Masonry Paint has been specially formulated to give 10 years protection on exterior surfaces, including sound exterior brickwork, stone, concrete, pebbledash, roughcast rendering and other similar surfaces. The smooth weather resisting finish has good opacity, helps prevent dirt accumulation, resists flaking and allows for surface expansion and contraction.

Sandstone

10 YEAR LIFE

COLOURS AVAILABLE

TIP!

For best results we recommend applying two coats of paint with a masonry brush or roller.

Brilliant White

Exterior Wood & Metal Paint

Our Exterior Quick Dry and Hardwearing ranges provide all-weather protection and both offer a 6 year life, meaning your home can keep its curb appeal for longer! Both ranges have been specially formulated to produce a flexible finish with excellent resistance to blistering, cracking, peeling and offer up to 6 years protection. For optimum 6 year life, use with the applicable primer & undercoat

6 YEAR LIFE

TIP! 

If painting in a dark gloss colour, use a dark grey undercoat to achieve the best results.
